CALIFORNIA LEGISLATURE—2023–24 REGULAR SESSION

## ASSEMBLY BILL

**No. 331**

**Introduced by Assembly Member Bauer-Kahan  
(Coauthor: Assembly Member Boerner)**

January 30, 2023

---

An act to add Chapter 25 (commencing with Section 22756) to Division 8 of the Business and Professions Code, relating to artificial intelligence.

### LEGISLATIVE COUNSEL'S DIGEST

AB 331, as amended, Bauer-Kahan. Automated decision tools.

The Unruh Civil Rights Act provides that all persons within the jurisdiction of this state are free and equal, and regardless of their sex, race, color, religion, ancestry, national origin, disability, medical condition, genetic information, marital status, sexual orientation, citizenship, primary language, or immigration status are entitled to the full and equal accommodations, advantages, facilities, privileges, or services in all business establishments of every kind whatsoever.

The California Fair Employment and Housing Act protects and safeguards the right and opportunity of all persons to seek, obtain, and hold employment without discrimination, abridgment, or harassment on account of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic

information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, reproductive health decisionmaking, or veteran or military status. The act establishes the Civil Rights Department within the Business, Consumer Services, and Housing Agency and requires the department to, among other things, bring civil actions to enforce the act.

This bill would, among other things, require a deployer, as defined, and a developer of an automated decision tool, as defined, to, on or before January 1, 2025, and annually thereafter, perform an impact assessment for any automated decision tool the deployer uses that includes, among other things, a statement of the purpose of the automated decision tool and its intended benefits, uses, and deployment contexts. The bill would require a deployer or developer to provide the impact assessment to the Civil Rights Department within 60 days of its completion and would punish a violation of that provision with an administrative fine of not more than \$10,000 to be recovered in an administrative enforcement action brought by the Civil Rights Department. ~~The bill would, on and after January 1, 2026, would authorize a person~~ *certain public attorneys, including the Attorney General, to bring a civil action against a deployer or developer for a violation of the bill. The bill would require a person public attorney to, before commencing an action for injunctive relief, provide 45 days' written notice to a deployer or developer of the alleged violations of the bill and would provide a deployer or developer a specified opportunity to cure those violations. violations, if, among other things, the deployer or developer provides the person who gave the notice an express written statement, under penalty of perjury, that the violation has been cured and that no further violations shall occur. By expanding the scope of the crime of perjury, this bill would impose a state-mandated local program.*

This bill would require a deployer to, at or before the time an automated decision tool is used to make a consequential decision, as defined, notify any natural person that is the subject of the consequential decision that an automated decision tool is being used to make, or be a controlling factor in making, the consequential decision and to provide that person with, among other things, a statement of the purpose of the automated decision tool. The bill would, if a consequential decision is made solely based on the output of an automated decision tool, require a deployer to, if technically feasible, accommodate a natural person's

request to not be subject to the automated decision tool and to be subject to an alternative selection process or accommodation, as prescribed.

This bill would prohibit a deployer from using an automated decision tool ~~in a manner that contributes to~~ *that results in* algorithmic discrimination, which the bill would define to mean the condition in which an automated decision tool contributes to unjustified differential treatment or impacts disfavoring people based on their actual or perceived race, color, ethnicity, sex, religion, age, national origin, limited English proficiency, disability, veteran status, genetic information, reproductive health, or any other classification protected by state law. *The bill would, on and after January 1, 2026, authorize a person to bring a civil action against a deployer or developer for a violation of that provision.*

This bill would define “deployer” and “developer” to include a local government agency and would thereby impose a state-mandated local program.

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.~~

*The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.*

*This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.*

*With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.*

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.

*The people of the State of California do enact as follows:*

SECTION 1. Chapter 25 (commencing with Section 22756) is added to Division 8 of the Business and Professions Code, to read:

CHAPTER 25. AUTOMATED DECISION TOOLS

22756. As used in this chapter:

(a) “Algorithmic discrimination” means the condition in which an automated decision tool contributes to unjustified differential treatment or impacts disfavoring people based on their actual or perceived race, color, ethnicity, sex, religion, age, national origin, limited English proficiency, disability, veteran status, genetic information, reproductive health, or any other classification protected by state law.

(b) “Artificial intelligence” means a machine-based system that can, for a given set of human-defined objectives, make predictions, recommendations, or decisions influencing a real or virtual environment.

(c) “Automated decision tool” means a system or service that uses artificial intelligence and has been specifically developed and marketed to, or specifically modified to, make, or be a controlling factor in making, consequential decisions.

(d) “Consequential decision” means a decision or judgment that has a legal, material, or similarly significant effect on an individual’s life relating to the impact of, access to, or the cost, terms, or availability of, any of the following:

(1) Employment, workers management, or self-employment, including, but not limited to, all of the following:

(A) Pay or promotion.

(B) Hiring or termination.

(C) Automated task allocation.

(2) Education and vocational training, including, but not limited to, all of the following:

(A) Assessment, including, but not limited to, detecting student cheating or plagiarism.

(B) Accreditation.

(C) Certification.

(D) Admissions.

1 (E) Financial aid or scholarships.

2 (3) Housing or lodging, including rental or short-term housing  
3 or lodging.

4 (4) Essential utilities, including electricity, heat, water, internet  
5 or telecommunications access, or transportation.

6 (5) Family planning, including adoption services or reproductive  
7 services, as well as assessments related to child protective services.

8 (6) Health care or health insurance, including mental health  
9 care, dental, or vision.

10 (7) Financial services, including a financial service provided  
11 by a mortgage company, mortgage broker, or creditor.

12 (8) The criminal justice system, including, but not limited to,  
13 all of the following:

14 (A) Risk assessments for pretrial hearings.

15 (B) Sentencing.

16 (C) Parole.

17 (9) Legal services, including private arbitration or mediation.

18 (10) Voting.

19 (11) Access to benefits or services or assignment of penalties.

20 (e) “Deployer” means a person, partnership, state or local  
21 government agency, or corporation that uses an automated decision  
22 tool to make a consequential decision.

23 (f) “Developer” means a person, partnership, state or local  
24 government agency, or corporation that designs, codes, or produces  
25 an automated decision tool, or substantially modifies an artificial  
26 intelligence system or service for the intended purpose of making,  
27 or being a controlling factor in making, consequential decisions,  
28 whether for its own use or for use by a third party.

29 (g) “Impact assessment” means a documented risk-based  
30 evaluation of an automated decision tool that meets the criteria of  
31 Section 22756.1.

32 (h) “Sex” includes pregnancy, childbirth, and related conditions,  
33 gender identity, intersex status, and sexual orientation.

34 (i) “Significant update” means a new version, new release, or  
35 other update to an automated decision tool that includes changes  
36 to its use case, key functionality, or expected outcomes.

37 22756.1. (a) On or before January 1, 2025, and annually  
38 thereafter, a deployer of an automated decision tool shall perform  
39 an impact assessment for any automated decision tool the deployer  
40 uses that includes all of the following:

1 (1) A statement of the purpose of the automated decision tool  
2 and its intended benefits, uses, and deployment contexts.

3 (2) A description of the automated decision tool's outputs and  
4 how they are used to make, or be a controlling factor in making,  
5 a consequential decision.

6 (3) A summary of the type of data collected from natural persons  
7 and processed by the automated decision tool when it is used to  
8 make, or be a controlling factor in making, a consequential  
9 decision.

10 (4) A statement of the extent to which the deployer's use of the  
11 automated decision tool is consistent with or varies from the  
12 statement required of the developer by Section 22756.3.

13 (5) An analysis of potential adverse impacts on the basis of sex,  
14 race, color, ethnicity, religion, age, national origin, limited English  
15 proficiency, disability, veteran status, or genetic information from  
16 the deployer's use of the automated decision tool.

17 (6) A description of the safeguards implemented, or that will  
18 be implemented, by the deployer to address any reasonably  
19 foreseeable risks of algorithmic discrimination arising from the  
20 use of the automated decision tool known to the deployer at the  
21 time of the impact assessment.

22 (7) A description of how the automated decision tool will be  
23 used by a natural person, or monitored when it is used, to make,  
24 or be a controlling factor in making, a consequential decision.

25 (8) A description of how the automated decision tool has been  
26 or will be evaluated for validity or relevance.

27 (b) On or before January 1, 2025, and annually thereafter, a  
28 developer of an automated decision tool shall complete and  
29 document an assessment of any automated decision tool that it  
30 designs, codes, or produces that includes all of the following:

31 (1) A statement of the purpose of the automated decision tool  
32 and its intended benefits, uses, and deployment contexts.

33 (2) A description of the automated decision tool's outputs and  
34 how they are used to make, or be a controlling factor in making,  
35 a consequential decision.

36 (3) A summary of the type of data collected from natural persons  
37 and processed by the automated decision tool when it is used to  
38 make, or be a controlling factor in making, a consequential  
39 decision.

1 (4) An analysis of a potential adverse impact on the basis of  
2 sex, race, color, ethnicity, religion, age, national origin, limited  
3 English proficiency, disability, veteran status, or genetic  
4 information from the employer's use of the automated decision  
5 tool.

6 (5) A description of the measures taken by the developer to  
7 mitigate the risk known to the developer of algorithmic  
8 discrimination arising from the use of the automated decision tool.

9 (6) A description of how the automated decision tool can be  
10 used by a natural person, or monitored when it is used, to make,  
11 or be a controlling factor in making, a consequential decision.

12 (c) A employer or developer shall, in addition to the impact  
13 assessment required by subdivisions (a) and (b), perform, as soon  
14 as feasible, an impact assessment with respect to any significant  
15 update.

16 (d) This section does not apply to a employer with fewer than  
17 25 employees unless, as of the end of the prior calendar year, the  
18 employer deployed an automated decision tool that impacted more  
19 than 999 people per year.

20 22756.2. (a) (1) A employer shall, at or before the time an  
21 automated decision tool is used to make a consequential decision,  
22 notify any natural person that is the subject of the consequential  
23 decision that an automated decision tool is being used to make, or  
24 be a controlling factor in making, the consequential decision.

25 (2) A employer shall provide to a natural person notified pursuant  
26 to this subdivision all of the following:

27 (A) A statement of the purpose of the automated decision tool.

28 (B) Contact information for the employer.

29 (C) A plain language description of the automated decision tool  
30 that includes a description of any human components and how any  
31 automated component is used to inform a consequential decision.

32 (b) (1) If a consequential decision is made solely based on the  
33 output of an automated decision tool, a employer shall, if technically  
34 feasible, accommodate a natural person's request to not be subject  
35 to the automated decision tool and to be subject to an alternative  
36 selection process or accommodation.

37 (2) After a request pursuant to paragraph (1), a employer may  
38 reasonably request, collect, and process information from a natural  
39 person for the purposes of identifying the person and the associated  
40 consequential decision. If the person does not provide that

1 information, the deployer shall not be obligated to provide an  
2 alternative selection process or accommodation.

3 22756.3. (a) A developer shall provide a deployer with a  
4 statement regarding the intended uses of the automated decision  
5 tool and documentation regarding all of the following:

6 (1) The known limitations of the automated decision tool,  
7 including any reasonably foreseeable risks of algorithmic  
8 discrimination arising from its intended use.

9 (2) A description of the type of data used to program or train  
10 the automated decision tool.

11 (3) A description of how the automated decision tool was  
12 evaluated for validity and explainability before sale or licensing.

13 (b) This section does not require the disclosure of trade secrets,  
14 as defined in Section 3426.1 of the Civil Code.

15 22756.4. (a) (1) A deployer or developer shall establish,  
16 document, implement, and maintain a governance program that  
17 contains reasonable administrative and technical safeguards to  
18 map, measure, manage, and govern the reasonably foreseeable  
19 risks of algorithmic discrimination associated with the use or  
20 intended use of an automated decision tool.

21 (2) The safeguards required by this subdivision shall be  
22 appropriate to all of the following:

23 (A) The use or intended use of the automated decision tool.

24 (B) The deployer's or developer's role as a deployer or  
25 developer.

26 (C) The size, complexity, and resources of the deployer or  
27 developer.

28 (D) The nature, context, and scope of the activities of the  
29 deployer or developer in connection with the automated decision  
30 tool.

31 (E) The technical feasibility and cost of available tools,  
32 assessments, and other means used by a deployer or developer to  
33 map, measure, manage, and govern the risks associated with an  
34 automated decision tool.

35 (b) The governance program required by this section shall be  
36 designed to do all of the following:

37 (1) (A) Designate at least one employee to be responsible for  
38 overseeing and maintaining the governance program and  
39 compliance with this chapter.

1 (B) (i) An employee designated pursuant to this paragraph shall  
2 have the authority to assert to the employee's employer a good  
3 faith belief that the design, production, or use of an automated  
4 decision tool fails to comply with the requirements of this chapter.

5 (ii) An employer of an employee designated pursuant to this  
6 paragraph shall conduct a prompt and complete assessment of any  
7 compliance issue raised by that employee.

8 (2) Identify and implement safeguards to address reasonably  
9 foreseeable risks of algorithmic discrimination resulting from the  
10 use or intended use of an automated decision tool.

11 (3) If established by a deployer, provide for the performance of  
12 impact assessments as required by Section 22756.1.

13 (4) If established by a developer, provide for compliance with  
14 Sections 22756.2 and 22756.3.

15 (5) Conduct an annual and comprehensive review of policies,  
16 practices, and procedures to ensure compliance with this chapter.

17 (6) Maintain for two years after completion the results of an  
18 impact assessment.

19 (7) Evaluate and make reasonable adjustments to administrative  
20 and technical safeguards in light of material changes in technology,  
21 the risks associated with the automated decision tool, the state of  
22 technical standards, and changes in business arrangements or  
23 operations of the deployer or developer.

24 (c) This section does not apply to a deployer with fewer than  
25 25 employees unless, as of the end of the prior calendar year, the  
26 deployer deployed an automated decision tool that impacted more  
27 than 999 people per year.

28 22756.5. A deployer or developer shall make publicly available,  
29 in a readily accessible manner, a clear policy that provides a  
30 summary of both of the following:

31 (a) The types of automated decision tools currently in use or  
32 made available to others by the deployer or developer.

33 (b) How the deployer or developer manages the reasonably  
34 foreseeable risks of algorithmic discrimination that may arise from  
35 the use of the automated decision tools it currently uses or makes  
36 available to others.

37 22756.6. (a) A deployer shall not use an automated decision  
38 tool ~~in a manner that contributes to~~ *results in* algorithmic  
39 discrimination.

(b) (1) *On and after January 1, 2026, a person may bring a civil action against a deployer for violation of this section.*

(2) *In an action brought pursuant to paragraph (1), the plaintiff shall have the burden of proof to demonstrate that the deployer's use of the automated decision tool resulted in algorithmic discrimination that caused actual harm to the person bringing the civil action.*

(c) *In addition to any other remedy at law, a deployer that violates this section shall be liable to a prevailing plaintiff for any of the following:*

*(1) Compensatory damages.*

*(2) Declaratory relief.*

*(3) Reasonable attorney's fees and costs.*

22756.7. (a) Within 60 days of completing an impact assessment required by this chapter, a deployer or a developer shall provide the impact assessment to the Civil Rights Department.

(b) (1) A deployer or developer who violates this section shall be liable for an administrative fine of not more than ten thousand dollars (\$10,000) per violation in an administrative enforcement action brought by the Civil Rights Department.

(2) Each day on which an automated decision tool is used for which an impact assessment has not been submitted pursuant to this section shall give rise to a distinct violation of this section.

(c) The Civil Rights Department may share impact assessments with other state entities as appropriate.

22756.8. (a) (1) ~~On and after January 1, 2026, a person~~ Any of the following public attorneys may bring a civil action against a deployer or developer for a violation of this ~~chapter~~ chapter:

(A) *The Attorney General in the name of the people of the State of California.*

(B) *A district attorney, county counsel, or city attorney for the jurisdiction in which the violation occurred.*

(C) *A city prosecutor in any city having a full-time city prosecutor, with the consent of the district attorney.*

(2) A court may award to a prevailing plaintiff in an action brought pursuant to this subdivision all of the following:

~~(A) Compensatory damages.~~

~~(B)~~

(A) Injunctive relief.

~~(C)~~

1 (B) Declaratory relief.

2 ~~(D)~~

3 (C) Reasonable attorney's fees and litigation costs.

4 (b) (1) ~~(A) Subject to paragraph (2), a person, A public~~  
5 ~~attorney~~, before commencing an action pursuant to this section  
6 for injunctive relief, shall provide 45 days' written notice to a  
7 deployer or developer of the alleged violations of this chapter.

8 ~~(B) If the~~

9 (2) (A) ~~The developer or deployer demonstrates to the court~~  
10 ~~within may cure, within 45 days of receiving the written notice~~  
11 ~~described in paragraph (1) that it has cured a noticed (1), the~~  
12 ~~noticed violation and provides provide the person who gave the~~  
13 ~~notice an express written statement statement, made under penalty~~  
14 ~~of perjury, that the violation has been cured and that no further~~  
15 ~~violations shall occur, a claim for injunctive relief shall not be~~  
16 ~~maintained for the noticed violation. occur.~~

17 (B) ~~If the developer or deployer cures the noticed violation and~~  
18 ~~provides the express written statement pursuant to subparagraph~~  
19 ~~(A), a claim for injunctive relief shall not be maintained for the~~  
20 ~~noticed violation.~~

21 (2) ~~This subdivision does not apply with respect to a violation~~  
22 ~~that is substantially the same as a violation previously cured~~  
23 ~~pursuant to this subdivision.~~

24 ~~22756.9. A city or county shall not adopt, maintain, enforce,~~  
25 ~~or continue in effect any law, regulation, rule, requirement, or~~  
26 ~~standard related to the performance of an impact assessment or~~  
27 ~~governance program, or the equivalent thereof, of an automated~~  
28 ~~decision tool.~~

29 ~~SEC. 2. If the Commission on State Mandates determines that~~  
30 ~~this act contains costs mandated by the state, reimbursement to~~  
31 ~~local agencies and school districts for those costs shall be made~~  
32 ~~pursuant to Part 7 (commencing with Section 17500) of Division~~  
33 ~~4 of Title 2 of the Government Code.~~

34 ~~SEC. 2. No reimbursement is required by this act pursuant to~~  
35 ~~Section 6 of Article XIII B of the California Constitution for certain~~  
36 ~~costs that may be incurred by a local agency or school district~~  
37 ~~because, in that regard, this act creates a new crime or infraction,~~  
38 ~~eliminates a crime or infraction, or changes the penalty for a crime~~  
39 ~~or infraction, within the meaning of Section 17556 of the~~  
40 ~~Government Code, or changes the definition of a crime within the~~

1 *meaning of Section 6 of Article XIII B of the California*  
2 *Constitution.*

3 *However, if the Commission on State Mandates determines that*  
4 *this act contains other costs mandated by the state, reimbursement*  
5 *to local agencies and school districts for those costs shall be made*  
6 *pursuant to Part 7 (commencing with Section 17500) of Division*  
7 *4 of Title 2 of the Government Code.*
